

Shootout in Dallas Kills 2, Wounds 7

By JOHN LINGOLN
Associated Press Writer
DALLAS, Tex. (AP) — A young Negro shot another Negro to death and wounded four white policemen and three women neighbors before snatching a police car and fleeing Monday night.

About 300 Negroes gathered at the scene of the gunfight and some bottles were thrown at police cars. Two firebombs were hurled and a grocery window smashed.

Surgeons tried today to save the slight in the left eye of one of the wounded officers, G.M. Robinson. The other policemen were less seriously injured.

Police said Johnny Lee Thomas, 26, inexplicably fired a shotgun from the porch of his home, killing Frank Henry Buford, 40, Officers Paul Wimer and Terry Donovan, first to reach the scene, were shot as they stepped from their squad car.

When Robinson arrived, police said, he saw Thomas raising the shotgun and tried to shoot him, but his revolver misfired and he took a shotgun blast in the face.

The fourth wounded officer, Stanley L. Southall, was shot after Thomas had barricaded himself inside the frame restaurant and police surrounded the house.

Police finally used tear gas, starting a fire and forcing Thomas outside.

Police ordered Thomas to drop the gun, but said he raised it and was felled by a fusillade of police bullets.

The wounded Negro women were reported in satisfactory condition in a hospital. They were Ruby Mitchell, 52, her daughter, Susan Wesley, an her granddaughter, Aljewe Wesley, 16.

Mao Supposed to Attend Celebration

By JOHN RODERICK
Associated Press Writer
TOKYO (AP) — Communist China, celebrating its upcoming 20th anniversary with nuclear fireworks, has made an unannounced announcement that Mao Tse-tung and his heir-designate, Lin Biao, will attend Wednesday's festivities in Peking.

In an apparent attempt to scotch rumors that Mao and Lin are seriously ill, New China News Agency announced Monday both leaders would preside at ceremonies in Peking's Tien An Men Square.

In the past Red China has never made such advance announcements concerning Mao or Lin.

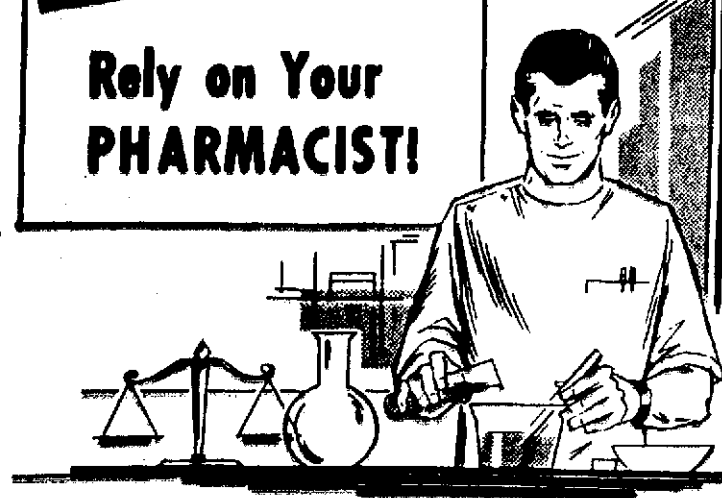

Speculation about their health was fanned by their absence since last May from public functions. There have been persistent rumors that Mao is dead, and anti-Communist newspapers in Hong Kong carried reports Monday that Lin was dying of cancer.

The Chinese have remained silent about their nuclear activities, although some announcement might be made in conjunction with the National Day celebration.

The Atomic Energy Commission in Washington said China conducted a nuclear test in the atmosphere Monday, and that the force of the blast was equivalent to 3 million tons of TNT.

OEO Shakeup Changes Responsibilities of Agency Drastically

By JEAN HELLER
Associated Press Writer
WASHINGTON (AP) — The Office of Economic Opportunity's civil rights division has been left in limbo by last week's personnel shakeup at the anti-poverty agency's headquarters. OEO says the division will be rebuilt, but it may take a while.

When the rebuilding process is complete, the division's responsibilities will have changed drastically.

"Before the shakeup, the division investigated specific charges of discrimination," an OEO spokesman said. "When it is rebuilt it will be a policy developing group for all departments within OEO."

However, the spokesman declared to estimate how long it would be before the division was functioning again in any capacity.

"The structure of that unit has not been mapped out because we have no one to head it up," he said. "We've had no one for some time. When we get someone, that person will be given the prerogative of setting it up."

How long will that be? "We don't know," the OEO official said. "Certainly as soon as possible."

The reassignment of OEO personnel was announced unexpectedly last Thursday by Director Donald Rumsfeld in a memorandum to the headquarters staff of 1,000.

Attached to the memorandum was a list of people who would be reassigned.

Objects to Belonging to Bar Assn.

LITTLE ROCK (AP) — Kenneth C. Coffelt of Jacksonville, a lawyer and former candidate for governor, objected Monday to a proposal to require all state lawyers to be members of the Arkansas Bar Association.

Coffelt said in a brief filed with the state Supreme Court that compulsory membership would violate both the state and federal constitutions. He said the Supreme Court justices would have to violate their oaths to uphold the constitution if they granted a petition for a "unified bar."

The Bar Association's Executive Committee has petitioned for the unified bar. The Supreme Court regulates the practice of law in Arkansas.

The court made Nov. 3 the deadline for opponents of the proposal to submit briefs. It gave the Executive Committee two weeks more to submit replies.

Slightly more than half of the lawyers who licensed to practice in the state are members of the Bar Association.

In his argument, Coffelt cited the state's "right-to-work" amendment, which prohibits compulsory union membership. He said that while it might be contended that the amendment applied only to labor unions he claims that it "fits this controversy like a glove."

He said both the state and federal Constitutions prohibited governments from impairing the obligations of any contract and that the state had entered into a contract with lawyers to permit them to practice law.

500 Object to Sex Film at Nashville

NASHVILLE, Ark. (AP) — More than 500 Nashville residents have signed petitions objecting to the showing of "sex" films at a theater here.

The petitions were presented to R. L. Robinson of Texarkana, the theater owner.

Neely Cassidy of Nashville, one of those who presented the petitions to Robinson, said the theater owner had indicated he wouldn't book films that didn't have a general audience rating unless he had no other choice.

Cassidy also said Robinson had agreed the previews of the films wouldn't be shown so that they wouldn't be seen by children attending a movie with a general audience classification.

Recently, De Queen residents protested the showing of what they considered objectionable films at a theater in their city owned by Robinson. He agreed to raise the age limit at restricted films from 16 to 18.

Calls Halt to Bombing of Tiny Island

WAILUKU, Maui Island, Hawaii (AP) — The Navy, after years of bombing the tiny island of Kahoolawe, has called a halt.

Reason: A bomb off target plunked into a pasture owned by Mayor Elmer F. Cravalho of Maui County, a longtime campaigner for an end to the bombing, which he says is a public nuisance.

Kahoolawe—pronounced Kah-oh-lah-vay—is a speck of barren volcanic rock six miles off the lush island of Maui. The Navy leases it from a private owner.

To keep its weekly practice attacks from annoying the 39,000 residents of Maui, the Navy orders its pilots to stay the far side of Kahoolawe and sends them out only when the weather is favorable.

DRAFT LOTTERY (from page one)

said," will be the answer to the question: What is best for the defense and security of this country?"

The Draft Act of 1967 prohibits the President from establishing a lottery. Nixon has asked Congress to repeal that prohibition.

Nixon announced the week before last he will revise the draft by executive order to put the highest callup risk on 19-year-olds nearing their 20th birthdays if Congress does not approve his lottery plan this year.

But he said this system "will not accomplish the objective as clearly and fairly" as the lottery plan which would let 18-year-olds know months in advance their chances of being called.

Under the lottery system, as explained by Pentagon officials, the 365 days of the following year would be drawn from a hat. Young men whose 19th birthdays fall on the first dates drawn would know they are most likely to be called the following January and could make plans accordingly.

Senate Armed Services Chairman John Stennis, D-Miss., left open the possibility—in guarded terms—Monday that the Senate may take up the bill if the House passes it.

"We would examine all the circumstances existing at that time," Stennis said, "to see if this bill with its limited application could be considered as a separate item during this session."

men will be assigned to duties outside Vietnam."

Resor said he was informed that the CIA, "though not directly involved in the alleged incident," had determined it would not be "in the national interest" to let its people testify.

Although there was no elaboration, presumably the secret agency felt its hush-hush activities in South Vietnam might be compromised even though the Army had planned to conduct at least part of the trials behind closed doors.

There were hints the CIA felt civilian lawyers hired to defend the Green Berets might talk to the press about classified spy operations in Vietnam during or after scheduled trials.

"You can hold a court martial behind closed doors, but that doesn't mean you can insure secrecy with all the people involved in the proceedings," one officer commented.

Though the Army's move means much of the case may forever remain obscure, the action was looked on favorably by a number of government officials.

Members of Congress who numbered the accused Green Berets among their constituents were pleased, and the House cheered at the announcement Monday. Sens. Strom Thurmond, R-S.C., and Ernest F. Hollings, D-S.C., both issued statements, with Thurmond saying he "was confident the Nixon administration would not pro-

Lebanon Saboteurs Hit Israel

By THE ASSOCIATED PRESS
Arab saboteurs operating from Lebanon attacked an Israeli settlement in the occupied Golan Heights today, killing a guard and blowing up two tractors, sources in Tel Aviv reported.

The informants said the commandos attacked the settlement of Ramat Shalom, at the foot of Mt. Hermon where the Syrian, Lebanese and Israeli borders converge. The saboteurs left four antipersonnel mines and one injured an Israeli soldier, but Israeli troops disarmed the other three, the informants said.

An announcement from Amman said Israeli forces in the Golan Heights shelled the Jordanian village of Marhaba for 30 minutes with heavy artillery Monday night. It said Jordanian forces returned the fire and that there were no Jordanian losses.

Later the Israelis shelled several areas in the southern Jordan Valley with rockets, the spokesman said. There were no losses among Jordanian forces but two houses were damaged, he said.

The Palestine Armed Struggle Command said in Amman that several groups of Al Fatah guerrillas launched attacks Monday night along a front from Maoz Hayim settlement in the north to Israeli positions near the Dead Sea in the south. It said four guerrillas were injured.

Six Berets Prepare to Fly Home

By RICHARD PYLE
Associated Press Writer
LONG BINH, Vietnam (AP) — The six Green Berets officers freed of murder charges celebrated today with a beer bust and prepared to fly home, while the widow of their alleged victim sobbed: "The soul of my husband will follow those who killed him."

"The outcome we never doubted at any time," said Col. Robert Rheault, 43, of Vineyard Haven, Mass., after Army Secretary Stanley R. Resor announced in Washington Monday he and five fellow officers would not be court-martialed in the slaying of an alleged Vietnamese double agent because the U.S. Central Intelligence Agency would not furnish witnesses.

"The only question was how long and how difficult it would be to prove the point," Rheault added as his comrades sky-larked for newsmen, drank beer, loudly played the "Ballad of the Green Berets" on a portable phonograph and got ready to fly home.

Besides Rheault, the officers facing court-martial in the case were Maj. Thomas C. Middleton Jr., 29, of Jefferson, S.C.; Maj. David E. Crew, 33, of Cedar Rapids, Iowa; Capt. Leland J. Brumley, 27, of Duncan, Okla.; Capt. Budge E. Williams, 27, of Athens, Ga., and Capt. Robert F. Marasco, 27, of Bloomfield, N.J.

LITTLE ROCK (AP) — During its 10-day run, the Arkansas Livestock Exposition will serve as a boon to the Little Rock economy, not only attracting thousands to the capital city, but also creating a "temporary" market.

While the amount of money spent by fairgoers is legned, little is ever said about the substantial amount of money spent by the carnival while it is in town.

For example, while the Royal American Shows are in Little Rock it will spend about \$2,000 to \$3,000 locally for such a small, but necessary item, as light bulbs.

All the fresh food and ice for the concessions are purchased from area suppliers. This total comes to about \$15,000.

Guy Gardner, business manager for the shows, estimated that roughly another \$10,000 will be spent for supplies. This amount does not include the diesel fuel which is purchased at each stop to run the rides and provide lighting.

"Little Rock is a good shopping city," Gardner said. He said his wife, who is traveling with him, has complained that she does not have enough time to spend shopping. He grinned, obviously not too upset with that prospect.

Gardner explained that on slow days, the "carnys" go shopping and that several have already begun doing their Christmas buying.

He said some of the concession operators have accounts in Little Rock banks so that they can write checks on a local address and some buy their cars here each time they come to town.

About 150 carnival workers live in hotel and motel rooms while they are in town. Gardner said that one nearby motel is filled with show employees.

Running a carnival is big business.

The Royal American Shows moves from one location to another on an 80-unit train that carries the majority of the 1,200 employees and the 50 rides. Included on the train are 20 living coaches.

Heavy duty tractor pull the semi trailers off the flat cars to the site on the fairgrounds. The show travels with its own repair and maintenance shop.

Gardner calls the Royal American Shows a "self-sufficient community." It supplies its own power plant, which can produce enough electricity for a city of 55,000, and has its own sanitation facilities.

The employees not only eat together, live together and work together, but they have their own civic organization within the group.

Welfare Group Gives Up Wis. Capitol

MADISON, Wis. (AP) — Police herded the Rev. James E. Groppi and about 200 welfare demonstrators from the Wisconsin Capitol Monday night, but the militant civil rights leader vowed to return.

The eviction of the priest and his fellow protesters ended an 11-hour takeover of the Assembly chambers. National Guardsmen called to duty by Gov. Warren P. Knowles surrounded the Capitol to prevent re-entry.

There were no arrests.

The legislature was scheduled to try to resume its special session on the Republican governor's \$33 million welfare and urban aide package today. The bill would restore a number of cuts in the state welfare program which the legislature made last month. Its prospects of passage were believed poor.

putting a sack of small change in front of your safe for a robber in the hope that he won't crack it and steal the real goodies?

I'd say the swing to harder narcotics shows people have become dependent on drugs and some would take the next step, whether pot was available or not. Of course many wouldn't. Like me, I smoked grass and quit because it wasn't that great and I didn't need a crutch. But I've seen some of my friends become "drugaholics." They would probably have become alcoholics if drugs weren't around, but drugs did the trick quicker.

Most of us know that marijuana, by itself, isn't as dangerous as alcohol—unless the scientists find something we don't know about it yet—but it's part of the drug scene, and one legalization might lead to another.

My vote goes to SLANT (Students League Against Narcotics Temptation), as it educates young

people on the dangerous drugs and starts them asking, "Why do I need this stuff?" The more education we get on how to cope with life WITHOUT crutches, the less we'll need them.—ANOTHER STUDENT

Dear Student: How right you are! When people learn to face their problems squarely and honestly, drug abuse will all but disappear!

NOTE TO READERS: Since so many of you asked for detailed information on starting SLANT (Students League Against Narcotics Temptation) clubs in your areas, the New Jersey branch has prepared a lengthy fact-sheet with full instructions. For your copy, send a long envelope, carrying two six-cent stamps, to: Dennis Rhodes, SLANT HEADQUARTERS, Box 9006, Hudson Heights Station, North Bergen, New Jersey, 07047. HELEN HELP US!

by Helen Bottel

(Our parents wouldn't miss it.)

Hope you don't mind my being frank.—FOR CHANGING YOUR COLUMN'S NAME

Dear For Change: Thank you, thank you! I hardly ever print bouquets (sounds like bragging and, besides, people prefer to read brickbats), but your letter raises a point others have mentioned too: "Is 'Helen Help Us' an appropriate name for my column?"

Let's have a reader-vote. If you like the present name, write me care of this newspaper and say so. If you prefer a change, likewise write to me, and if you have an idea for a new name, include it, but please—NOT "Drips From a Bottel." (The accent is on the last syllable, as in "motel.")

... And if you'll include a stamped self-addressed long envelope, I'll send you copies of "WHAT IS A BOY FRIEND?" and "WHAT IS A GIRL FRIEND?," together with my thank-you note.—H.

Dear Helen: Now that there is a "marijuana famine," I read that the kids are turning to stronger drugs. (Note from H: Don't limit it to "kids"—adults, too, are making illegal drugs big business.)

Those in favor of legalizing marijuana say, "Toldja so—if you give them pot, they won't go up the line. Take it away and they will." But isn't this like

WHAT'S IN A NAME?

Dear Helen: Your column grooves in there. You tell it straight, and you make people think. We rap about what you say in school and even if sometimes somebody doesn't agree with you, you're always good for a lively discussion.

But we don't like the name at the top: "Helen Help us!" It gives the wrong impression, like a little corny. Your column is for people to express their views, as much as to get "advice," and it seems to us that if you just labeled it with "the name of the dame"—"Helen Bottel," it would have more class.

Since I'm writing, I have to say I don't care much for the title, "Youth Asked For It" either. But I can't think of anything better, and I guess you have to let people know part of your column is strictly for young people.

Nixon Favors Electoral Reform Bill

WASHINGTON (AP) — President Nixon endorsed today the House-passed electoral reform bill calling for direct election of the president and urged the Senate to adopt the measure.

The House has approved a proposed constitutional amendment abolishing the Electoral College and giving the presidency to the candidate receiving the largest popular vote, if no candidate gets 40 per cent of the vote, a runoff would be held.

If the amendment passed the Senate, it would go to the states for ratification.

Nixon said he had committed his administration in February to support any reform of the electoral system that would remove its most negative features.

"I said I would support any amendment approved by Congress that would make three specific reforms in the current system," the President said, "one, eliminate the problem of the 'faceless elector,' two, make a 40 per cent margin adequate for victory, and three, reform the system so that the electoral outcome more closely reflects the popular outcome."

The President's statement was distributed by press secretary Ronald L. Ziegler.

The President said since the House "has overwhelmingly supported the direct election approach," it is clear that unless the Senate follows its lead "all opportunity for reform will be lost this year and possibly for years to come."

Nixon said he knew that many senators might prefer a different method than election by a simple, popular vote margin but "I believe that contrary views are now a luxury—that the need for electoral reform is urgent and should be our controlling consideration."

Ex-School Supt. Named to Board

LITTLE ROCK (AP) — Leroy Gattin, former Pulaski County school superintendent, was named Monday night to the county School Board.

The board majority had refused earlier this year to renew Gattin's contract as superintendent. He will fill the unexpired term of John Ulmer, who resigned for health reasons.

With only five of the seven board members present, Gattin's nomination received two votes and there was one abstention and one vote for Lester Hosto, who also was nominated.

Dr. Dale Cowling objected to Gattin's nomination as being "highly improper" and "unethical."

Alien Issue Under Probe of Committee

WASHINGTON (AP) — The Senate Ethics Committee, investigating allegations of bribery concerning special legislation allowing Oriental aliens to remain in the United States, has condemned shortcut methods used to introduce such bills.

Committee Chairman Sen. John Stennis, D-Miss., said the panel has started an inquiry into published reports that bribes were arranged for the introduction of bills that in effect prevent deportation of the aliens.

Under Senate procedure, the alien involved is permitted to stay in the country while the bill is pending.

Stennis said the committee told its chief counsel, Benjamin R. Fern, to look into all private relief bills introduced during the 90th and 91st Congresses "dealing with so-called Chinese ship jumpers."

Stennis said some private bills allegedly were filed by staff members without the knowledge of the senator who sponsored them.

Stennis said the bills sometimes are introduced by a messenger, with the senator's name simply typed on the measure.

He said the Ethics Committee decided that Senate rules actually require the signature of the senator on all bills he introduces.

In addition, Stennis said, the panel believes the rules require the senator himself to be present when the bill is proposed.

Lions receiving awards for work in sponsoring new members are, left to right; Alvin Willis, Dist. Gov. Shaddock, Dub Flowers and Paul McClellan.

Value of West German Mark Hits Record

LONDON (AP) — The value of the West German mark rose from 25 cents to a record 26 cents today, bringing pressure on the dollar in European foreign exchange markets.

The 26-cent level was reached in Frankfurt at the reopening of trading halted last week to head off speculation before West Germany's election.

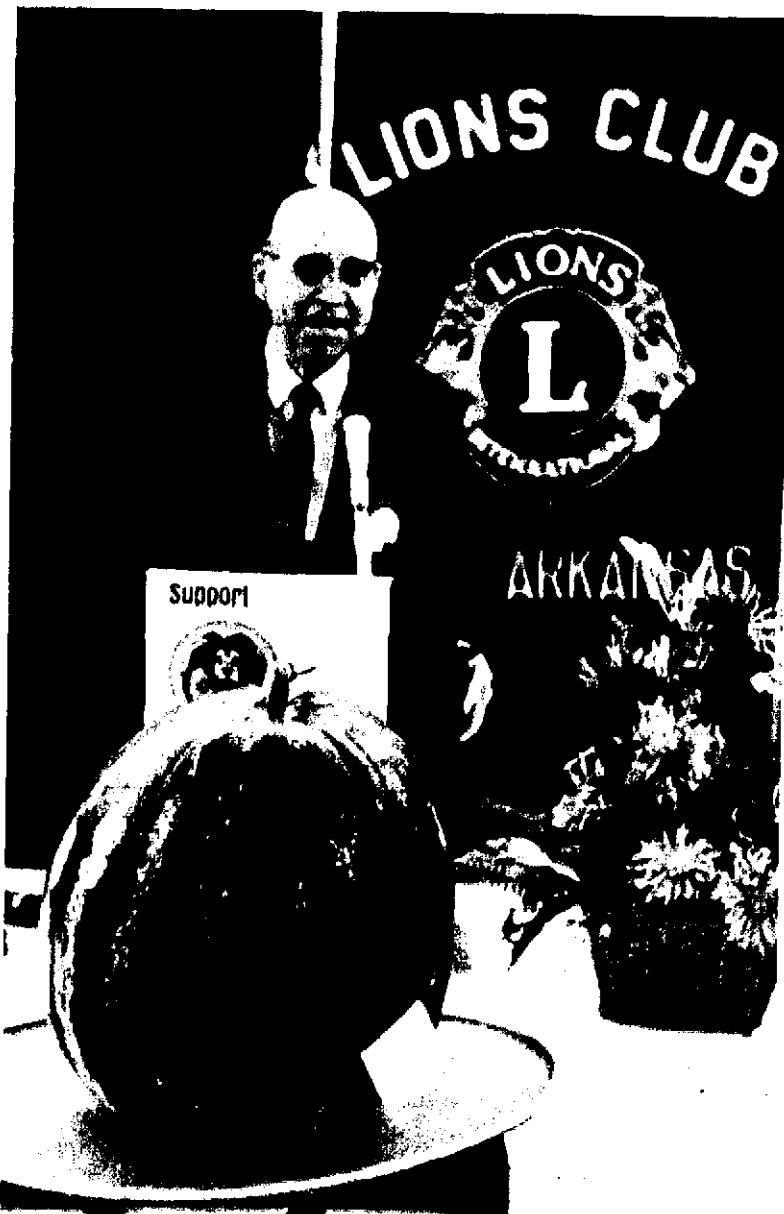

The West German government decided Monday to let the mark seek its own level in international currency markets.

Its official value had been 25 cents or four marks to the dollar. It opened in Frankfurt this morning at 3,8850 marks to the dollar and quickly moved to 3.4 marks.

Dealers in London widened their buying and selling rates of marks to a full three pence.

New member Jim Crippen, Rubber Co., is shown receiving manager of Goodyear Tire and his membership appers.

Dist. Gov. R.H. (Bob) Shaddock.

At Monday's regular Lions Club meet at Town & Country District 7-K Gov. R.H. (Bob) Shaddock of Camden addressed the group. James Morrow, active in zone affairs, introduced him.

Gov. Shaddock is superintendent of the Camden Fairview schools. In discussing Lionism he told the club there are now 925,000 member in 145 counties throughout the world and at a recent convention in Japan 107 of these areas were represented.

In reporting on state activities Mr. Shaddock told of the growth of the Center for the Blind in which has enlarged from one frame building to five new buildings worth over \$1.2 million. This is supported by Arkansas Lions.

Toxic Food Poisoning Is Ruled

TUCUMCARI, N.M. (AP) — Three members of a Springfield, Ark., family whose bodies were found in their car Sunday died of toxic food poisoning, an inquest ruled Monday.

The dead were Myrtle Mae Parker, about 50, and two of her grandchildren, Bobby Joe Parker, 3, and Jackie Lee Parker, 15 months.

Hospitalized at Tucumcari for treatment of food poisoning are the children's father, Glen Parker, 32, of Springfield, Mrs. Parker and two other children. Witnesses told authorities that Parker pulled the car off the roadway at the edge of Tucumcari early Sunday.

HOPE NEWSPAPER HISTORY:
The 1929 consolidation joined the
two principal newspaper lines
dating back to within five years
of Hope's incorporation in 1875.
1899 — Star of Hope found-
ed as a weekly by Claude Mc-
Corkle; converted to an evening
daily by his son, Ed. McCorkle,
publishing until the 1929 con-
solidation.
The opposition line:
1880 — Hope News founded by
Lawry Brothers.
1883 — Sold to Withers & John-
son, name changed to Hope Tele-
graph.
1883 — Later in same year
resold to Claude McCorkle and
renamed Hope Mercury.
1884 — Sold to James H. Betts,
who named it Hope Gazette, under
which name it was published con-
tinuously until 1922, published by
Betts, J.L. Tullis, and Col. W.W.
Folsom the last-named dying in
1916.
1916 — Purkins & Gates bought
the weekly Gazette and made it
a companion paper to their new
daily, Arkansas Evening Herald
— but both papers suspended in
1922.
1926 — Plant was revived by
Curtis Cannon as the weekly
Hempstead County Review.
1927 — Cannon sold plant to
D.A. Gean, who established the
morning Hope Daily Press.
1929 — C.E. Palmer and A.H.
Washburn consolidated The Star
and the Press as Hope Star, with
Palmer as president and Wash-
burn secretary-treasurer.
1957 — Following Mrs. Palmer's
death Mrs. Palmer be-
came president.
1969 — With Mrs. Palmer's
retirement from Star Publish-
ing Co. Washburn became 76
per cent owner and president
— balance 24 per cent being held
by Texarkana Newspapers, Inc.

Here is another hand from
"Hold Our Bridge Hands"
by Charles Solomon and Bert
Wilson. It is a problem in
dummy play that involves
the loser-on-loser play.
South is in a normal four-
heart contract. The defense
starts with three rounds of
spades. At the table, South
studied for some time and
finally ruffed with the queen.
This established West's jack
of hearts as a sure trick and,
since declarer lost the dia-
mond finesse also, he missed
his contract by one.

It would have been equally
unfortunate to ruff with the
10. West would make his
jack of hearts right away
and South would complain
about his bad luck.

As we have pointed out
many times in this column,
South was unlucky. He didn't
have to find West with three
hearts to the jack and the
king of diamonds, but North
was more unlucky. He had
to sit as dummy and watch
his partner throw game and
rubber out the window.

All South had to do to
make his four hearts was to
discard his four diamonds on
the third-spade lead. This
would get rid of his losing
diamond while he was losing
a spade trick. Now a fourth
spade lead wouldn't hurt
him, since he would be able
to ruff that trick in dummy.

He would have given up a
potential overtrick as a
small premium for insurance
on his contract.

Television and Radio

By CYNTHIA LOWRY
AP Television-Radio Writer
NEW YORK (AP) — "The
Survivors," ABC's new dramat-
ic serial, has plenty of story
material and a big cast, what-
ever else it may lack.

The action Monday night that
introduced the principal charac-
ters took place in New York,
Monte Carlo and an unidentified
Latin-American country, and in-
cluded a guerrilla execution, an
auto race, embezzlement and a
confession of illicit love.

The Carlyles of the series are
enormously rich and enormous-
ly unhappy. Patriarch Baylor
Carlyle heads his private bank,
has a wife in a mental institu-
tion and worries about his kids.
Ralph Bellamy played him as
tough, stern and disappointed.

Daughter Tracy—Lana Turn-
er—was celebrating the 20th
anniversary of her marriage to
Philip Hastings—but it was a
mere shell of a marriage in ex-
change for a promise of a future
in the family bank. Philip mar-
ried her six months before the
birth of a son fathered by a
Greek guide. And Philip had
been dipping into the bank's till.

Then, son Duncan, played by
George Hamilton, was a play-
boy bored with auto racing who
had his private plane hijacked
to the country where his college
roommate was a guerrilla lead-
er.

The settings are opulent and
the acting adequate. However,
there is nobody around to identi-
fy with—everyone seems selfish
and unsympathetic.

"Love, American Style," in
its ABC premiere, consisted of
three playlets. Two were amus-
ing even though the payoffs
were telegraphed. The third
missed its comedy mark by a
mile.

Michael Callan played a di-
vorced man visited by his ex-
wife—Penny Fuller—just as he
expected to present his new girl
with an engagement ring. The
ex-wife slipped on the ring
which, of course, stuck, thus
precipitating a lot of broad
comedy until the happy ending.

Flip Wilson and Carl Fisher
were attractive in a sketch
about an arrogant pool hustler
being taken by a lady who
wielded a deadly cue.

Robert Cummings and Jane
Wyatt, as parents deciding to
slip the pill to their unsuspect-
ing 18-year-old daughter, were
caught in an unfortunate play-
let. But two out of three isn't
bad, and the device that permits
an assortment of short subjects
in one time period has possibili-
ties.

Earlier, NBC remodeled its
daytime schedule with three
new game shows and a soap op-
era.

"Sale of the Century" is
standard quiz show stuff inter-
rupted occasionally to permit
the studio contestants to use
their winnings to buy such items
as \$375 worth of steaks for \$8.95
or an electric organ worth \$825
for \$23.95.

"Name Droppers" has one
person claiming an association
with each of three celebrity
guests while an audience jury
guesses which story is true.

"Letters to Laugh-In" con-
sists of reading jokes—mostly
old and dreadful—sent in by
viewers. They are graded by a
laugh meter.

"Bright Promise," the serial,
is set in a coed college. The first
episode had the college presi-
dent and the dean of women
worrying about dropouts and
the new freedoms.

Malvern to Be Tough at Homecoming

By RALPH ROUNTON
Star Sports Writer

If you think the Hope Bobcats have it easy this week against the Malvern Leopards, then you most surely have rocks in your head.

Things could point to a sure Bobcat win, but the Leopards will be celebrating Homecoming and have not lost to Hope since 1964. Last year Hope put forth a tough defensive effort, but were simply overpowered as Malvern 21-0.

So the last three wins have been left behind as the Bobcats prepare for the 4-AA Western Division opener, when a loss would hurt morale and hurt the chances.

Nothing will be changed for Malvern, but the Hope defense will have to get in plenty of practice against the Leopard "bifocal" offense this week. That offense has had some problems scoring so far because of a lack of adequate passing, but then, it has been running against some of the state's best defenses.

Offensively, the Bobcats realize that no team has scored more than 21 points against Malvern (Little Rock Catholic, the state's No. 3 team, did that last Friday), and Coach Ronnie Higgins sees the possibility of a hard-fought low-scoring contest.

As injuries go, Hope seems to be off the hook for the first time in years. Tackle Jim Alford is virtually recovered from a nagging ankle injury and will be going both ways at Malvern, and everyone else is healthy save the normal bruises and muscle spasms.

Sophomore flanker Tommy Miller, who was running on the first team back in August before he was felled with a broken ankle, will have the cast removed this week. It will be a slow process, but Miller to work the strength which hasn't measured up to back into the leg, but if he progresses rapidly enough the flanker spot will be loaded with him and Roger Newton, who has done excellently so far.

Thursday night sends the Yergers Bobkittens back into action, go on to the field on its own as Coach Gaylord Solomon's former host the Ashdown Panther Cubs at Hammons Stadium with a 7:30 p.m. kickoff.

The Kittens will be seeking to extend their unbeaten string of seven games, four last fall and the first three games of this season. And the defense's shutout of six of those games is at stake too.

You can bet the Bobcat squad will be cheering hard at that one, too, for they seek any sort of revenge for the opening 14-6 defeat suffered on the Ashdown field.

Yesterday afternoon the Bobkittens worked out, spending most of the time on offense, and afterward some of the squad members were disappointed with the team's performance and attitude in the practice.

They will be shooting for a peak effort Thursday night, before embarking on a three-game string of road games against Camden, Nashville, and Magnolia before hosting the Fairview Jr. Cardinals in the finale.

TCU Loss to Ohio S. Does Not Count

By THE ASSOCIATED PRESS

NORTH ADAMS, Mass.—Terry Rounton, Pittsfield, Mass., outpointed Jean LeRoux, Paris, France, 10, featherweights.

LONDON—Alan Rudkin, Britain, stopped Karim Young, Nigeria, 1, bantamweights.

DETROIT—Billy Tiger, Detroit, stopped Arnie Brower, Detroit, 1, heavyweights.

FAYETTEVILLE, Ark. (AP)—Arkansas Coach Frank Broyles said Monday that since TCU's 62-0 loss to Ohio State Saturday didn't count in the Southwest Conference standings the Razorbacks would pay no attention to it.

"We don't pay any attention to the scores of our opponents in games outside the conference," Broyles said. "All this was preliminary to the conference race. I know the players felt this way."

The third-ranked Razorbacks, who face TCU Saturday, worked out for an hour and 45 minutes in sweat clothes Monday. Although they suffered no serious injuries in the 55-0 conquest of Tulsa Saturday, a few players nursed bruises and strains.

Defensive halfback Gus Rusher suffered a bruise on his ankle when he hit a bench after falling out of bounds, but does not have his foot in a cast as Broyles had reported earlier.

Newsmen asked Broyles about the Razorback offense, for Miller to work the strength which hasn't measured up to back into the leg, but if he progresses rapidly enough the flanker spot will be loaded with him and Roger Newton, who has done excellently so far.

Sample Calls Commissioner a Dictator

ATLANTIC CITY, N.J. (AP)—Cornerback Johnny Sample of the New York Jets has termed Commissioner Pete Rozelle a "dictator" and says that pro football would be better off without him.

Sample made the comment Monday at a news conference at which he announced he plans to publish a series of books on black athletes and their struggle for equality in professional sports.

"As a person, Rozelle has too much power," Sample said.

"He's biased against the AFL," Sample said, "because it has the NFL which gave him his job."

The 32-year-old football veteran, who is under contract with the Jets, was taken off the roster after he hurt his back in the All-Star Game.

"Whether I go back depends on what the doctors say," Sample said. "Right now I'm rounded."

"Negro players are offered lower salaries to begin with. Management thinks you should be grateful to get that," Sample said.

Elimination of Some Tennis Rules Sought

NEW YORK (AP)—The director of the 1969 U.S. Open Tennis Championships says grass courts and the game's age-old scoring system must be eliminated if tennis is to compete against baseball, football and golf for the entertainment dollar.

Owen Williams, who was brought in from South Africa to run this year's event, predicted Monday that next year's championship will offer a \$258,000 purse and gross \$1 million—if the changes are made.

The 1969 tournament drew a record 101,365 and its total receipts were \$804,000 compared with \$433,000 in 1968, the first U.S. Open. Rod Laver, the 1969 winner, collected \$37,000.

Williams said that if the U.S. Lawn Tennis Association and the State West Side Tennis Club at Forest Hills, N.Y., can't agree on "progressive plans, the USLTA should seek another stadium."

Williams said the grass courts at Forest Hills should be replaced with new synthetic surfaces and that the evolutionary no-break scoring—similar to ping-pong—should replace the present scoring system.

Porkers Are Ranked 3rd, Texas 4th

By HERSCHEL NISSENSON
Associated Press Sports Writer

The top seven teams, led by mighty and near-perfect Ohio State, retained their positions this week in The Associated Press college football poll.

The Buckeyes of Woody Hayes, defending national champions, opened their season Saturday with a 62-0 massacre of Texas Christian and earned 35 of the 40 first-place votes cast by a nationwide committee of sports writers and broadcasters.

They wound up with a total of 784 points, only 16 short of a perfect score and 165 in front of runner-up Penn State, with two first-place votes and 619 points.

Arkansas, Texas, Southern California, Oklahoma and Georgia remained third through seventh, respectively, with Texas getting the other three first-place ballots.

In weekend action, Penn State trimmed Colorado 27-3, Arkansas clobbered Tulsa 55-0, Texas trounced Texas Tech 49-7, Southern Cal walloped Northwestern 48-6, Oklahoma whipped Pitt 37-0 and Georgia blanked Clemson 30-0.

The rest of the Top Ten consisted of Purdue, up from 16th to eighth on the strength of a 28-14 defeat of Notre Dame; Missouri, which rose from 11th to ninth after crushing Illinois 37-6, and Tennessee, which drubbed Auburn 45-19 and climbed from 19th to 10th.

Notre Dame, which had been ninth, fell out of the Top Twenty.

The Second Ten included UCLA, up from 14th; Florida, no change; Michigan, up from 20th; Michigan State, down one to 14th; Alabama, no change; newcomers Louisiana State, Stanford, West Virginia and Wyoming in the 16-17-18-19 positions and Mississippi, down from eighth to 20th. Notre Dame, Indiana, Auburn and Arizona State dropped from the Top Twenty.

They were 10th, 17th and 18th a week ago.

"We're aware we have some good players," Hayes said Monday at his weekly luncheon in Columbus, Ohio. "We have to continue to get better every time we play."

The Top Twenty, with first-place votes in parentheses. Points awarded for first 15 picks on basis of 20-18-16-14-12-10-9-8-7-6-5-4-3-2-1:

Kansas City Badly Needs Quarterback

By SHEILA MORAN
Associated Press Sports Writer

The Kansas City Chiefs, suddenly the American Football League's hard-luck team, are looking for at least one quarterback.

Starter Len Dawson injured his knee at Boston two weeks ago and is out at least another month. Backup man Jack Lee broke an ankle bone during Sunday's 24-19 loss at Cincinnati and will be sidelined two to three weeks.

Suddenly, No. 3 quarterback Mike Livingston, a second-year obscurity from Southern Methodist, is No. 1 and the Chiefs need someone at No. 2. They could even use a No. 3.

Coach Hank Stram discounted rumors of an impending trade and said Tom Flores and John Huarte, free agents with impressive credentials, were to try out with the Chiefs today. Stram also will look at rookie Ed Podolak, a former Iowa quarterback who has been used by Kansas City at running back.

Livingston played in two games last year and came in during the second half in the stunner at Cincinnati. He completed nine of 17 passes for 99 yards—not enough to stop the amazing Bengals, who won their third straight and snapped Kansas City's regular season game winning streak at seven dating from last season. The Chiefs also won all six exhibition games.

Flores, a nine-year veteran, spent seven years at Oakland, then went to Buffalo in the 1967 Daryle Lamonica trade. His best season was 1966 when he was the Raiders starter and completed 151 of 306 passes for 2,638 yards and 24 touchdowns.

Huarte, 1964 Heisman Trophy winner for Notre Dame, spent 1965 on the New York Jets' taxi squad, was traded to Boston in 1966, released by the Patriots after four games of the 1967 season and spent 1968 with Philadelphia. He tried out with Minnesota this year before being released.

The Bengals, who did fine without starting quarterback Greg Cook after he was injured in the second half Sunday, said they'll know by midweek if their sensational rookie will be able to play against San Diego next Saturday. Cook pulled a muscle in his right arm and was replaced by Sam Wyche.

Minnesota, which handed Baltimore its second straight loss, expressed confidence that quarterback Joe Kapp will be able to play in next Sunday's game with Green Bay. Kapp fractured his non-passing wrist in the third quarter but Coach Bud Grant said the break is high enough that it doesn't affect the use of his hand.

The limping Jets compounded their problems with the loss of Jim Hudson, hard-tackling strongside safety, who tore ligaments in his gimpy left knee during the world champions' 34-27 drubbing at San Diego.

THE TEN BEST WORLD SERIES 1909

(First of 10-Part Series.)

ASIDE FROM BEING the first to go the full limit, the 1909 World Series between Pittsburgh and Detroit matched for the first and only time the "two greatest baseball players alive." Ty Cobb of the Tigers and Honus Wagner of the Pirates.

Pittsburgh won in seven games and Wagner, 35, completely outplayed Cobb, 22. Wagner hit .333 to lead his team while Cobb's only headline came when he stole home in the second game. Wagner also won the only direct confrontation between the two players.

Cobb, notorious for his sharpened spikes, was on first base and shouted down to Wagner, playing shortstop: "Hey, Kraut-head, I'm coming down on the next pitch." Cobb came down with spikes flashing, but Wagner took the throw, ducked the spikes and tagged Cobb in the face, splitting the Georgia Peach's lip.

Camden Has Moved Up in AP Poll

LITTLE ROCK (AP)—Fort Smith Northside, unbeaten in 28 games, is an unanimous choice for the top spot in this week's Associated Press High School football poll.

The Grizzlies were named first on each of the ballots cast by the 14 Arkansas sports writers and sportscasters. The only blemish on Northside's record during the 28-game stretch was a 3-3 tie with Pine Bluff last year and the Grizzlies avenged that last week with a 28-7 victory over the Zebras.

The Grizzlies will risk their string this week against fifth-ranked Springdale. The Bulldogs were ranked sixth last week but moved up a notch after Hot Springs was beaten by Benton and dropped from fifth to ninth.

Little Rock Hall, Little Rock Catholic and Little Rock Central, all winners last week, remained second, third and fourth respectively.

Unbeaten Fort Smith Southside moved up a notch to sixth and Camden advanced from eighth to seventh.

Texarkana, ranked eighth last week, was beaten by Shreveport Woodlawn and dropped from the select group. Jonesboro, the only unbeaten team in the Eastern Division of Class AAA, took over the No. 10 slot.

The Class AA and Class A rankings remained unchanged with Camden and McGehee leading the way in their respective divisions.

The Class B rankings underwent a shakeup when it was learned that Junction City, ranked second last week, had surpassed the Class B enrollment and was moved up to Class A by the Arkansas Athletic Association. Mineral Springs remains No. 1, but Murfreesboro jumped into the No. 2 spot, Luxora, which defeated Earle last week in a battle of the unbeaten, replaced Earle in the No. 3 spot.

List of 20 Game Winners Is Mounting

By HAL BUCK
Associated Press Sports Writer

This was supposed to be baseball's Year of the Hitter but the pitchers, lowered mound, smaller strike zone and all, haven't done badly for themselves.

There are a dozen 20 game winners sprinkled around the major leagues—the highest total since 13 pitchers reached the 20-victory plateau back in 1951.

And four other hurlers with 10 victories each could reach 20 as the season swings into its final week.

Phil Niekro, one of the 20-game winners, goes for Atlanta tonight against Cincinnati as the Braves try to clinch the National League West pennant. One Atlanta victory or San Francisco loss, ends the race.

Mike Cuellar, another member of the 20-victory club, was beaten 4-1 by Detroit Monday night—only the second loss in 15 decisions since the All-Star Game for the Baltimore left-hander.

Bill Freehan, whose run-scoring second-inning triple was the only hit off Cuellar through the first eight innings, drilled a two-run single as the Tigers rallied for three runs to break a tie in the ninth.

In the only other game played in the majors Monday night, Boston whipped Washington 8-5 as Rico Petrocelli set a record by hitting his 40th homer of the year, most ever by an American League shortstop. Petrocelli broke the mark of 39 set by Vern Stephens, who also played for the Red Sox.

Frank Howard ripped his 48th of the year for the Senators, tying Harmon Killebrew for the major league home run lead.

Besides Cuellar, 23-11, and Niekro, 22-13, the 20-game winners this season are Minnesota's Jim Perry, 20-6, Tom Seaver of the New York Mets, 25-7, Detroit's Denny McLain, 24-0, Dave McNally of Baltimore, 20-6, Dave Boswell of Minnesota, 20-11, Mel Stottlemyre of the New York Yankees, 20-14, San Francisco's Juan Marichal, 21-11, Houston's Larry Dierker, 20-12 and Ferguson Jenkins, 21-15, and Bill Hands, 20-14, both of the Chicago Cubs.

McNally and Perry both get a chance to add to their totals today. The Baltimore left-hander faces Detroit while the Twins' righty takes on Chicago.

Bob Gibson of the St. Louis Cardinals, Mickey Lolich of Detroit, and Claude Osteen and Bill Singer, both of the Los Angeles Dodgers, are all on the verge of the 20-victory club with 19 triumphs each.

Singer, Gibson and Lolich all pitched Sunday and Osteen worked Saturday. All could get one more shot at 20 in the final days of the season.

Racing System Changed a Bit

BOSTON (AP)—The Big Ex-acta is out at Suffolk Downs for the remainder of the track's thoroughbred race meeting.

President Bill Veck said two perfect races will replace the multiple form of wagering. There will be perfectas, based on picking the 1-2 finishes, in three races.

The Big E, based on picking 1-2 finishes in two straight races, is eliminated.

Sauer Doing Fine After Surgery

BOSTON (AP)—General Manager George Sauer of the Boston Patriots of the American Football League was reported in good condition today after surgery for removal of the gall bladder.

Malvern to Be Tough at Homecoming

By RALPH ROUNTON
Star Sports Writer

If you think the Hope Bobcats have it easy this week against the Malvern Leopards, then you must surely have rocks in your head.

Things could point to a sure Bobcat win, but the Leopards will be celebrating Homecoming and have not lost to Hope since 1964. Last year Hope put forth a tough defensive effort, but were simply overpowered as Malvern 21-0.

So the last three wins have been left behind as the Bobcats prepare for the 4-AA Western Division opener, when a loss would hurt morale and hurt tie chances.

Nothing will be changed for Malvern, but the Hope defense will have to get in plenty of practice against the Leopard "bifocal" offense this week. That offense has had some problems scoring so far because of a lack of adequate passing, but then, it has been running against some of the state's best defenses.

Offensively, the Bobcats realize that no team has scored more than 21 points against Malvern (Little Rock Catholic, the state's No. 3 team, did that last Friday), and Coach Ronnie Higgins sees the possibility of a hard-fought low-scoring contest.

As injuries go, Hope seems to be off the hook for the first time in years. Tackle Jim Alford is virtually recovered from a nagging ankle injury and will be going both ways at Malvern, and everyone else is healthy save the normal bruises and muscle spasms.

Soph flankerback Tommy Miller, who was running on the first team back in August before he was felled with a broken ankle, will have the cast removed this week. It will be a slow process, for Miller to work the strength which hasn't measured up to back into the leg, but if he progresses rapidly enough the flanker spot will be loaded with him and Roger Newton, who has done excellently so far.

Thursday night sends the Yergers back into action, go on to the field on its own as Coach Gaylord Solomon's former host the Ashdown Panther Cubs at Hammons Stadium with a 7:30 p.m. kickoff.

The Kittens will be seeking to extend their unbeaten string of seven games, four last fall and the first three games of this season. And the defense's shutout of six of those games is at stake too.

You can bet the Bobcat squad will be cheering hard at that one, too, for they seek any sort of revenge for the opening 14-6 defeat suffered on the Ashdown field.

Yesterday afternoon the Bobkittens worked out, spending most of the time on offense, and afterward some of the squad members were disappointed with the team's performance and attitude in the practice.

They will be shooting for a peak effort Thursday night, before embarking on a three-game string of road games against Camden, Nashville, and Magnolia before hosting the Fairview Jr. Cardinals in the finale.

By HERSCHEL NISSENSON
Associated Press Sports Writer

The top seven teams, led by mighty and near-perfect Ohio State, retained their positions this week in The Associated Press college football poll.

The Buckeyes of Woody Hayes, defending national champions, opened their season Saturday with a 62-0 massacre of Texas Christian and earned 35 of the 40 first-place votes cast by a nationwide committee of sports writers and broadcasters.

They wound up with a total of 784 points, only 16 short of a perfect score and 165 in front of runner-up Penn State, with two first-place votes and 619 points. Arkansas, Texas, Southern California, Oklahoma and Georgia remained third through seventh, respectively, with Texas getting the other three first-place ballots.

In weekend action, Penn State trimmed Colorado 27-3, Arkansas clobbered Tulsa 55-0, Texas trounced Texas Tech 49-7, Southern Cal walloped Northwestern 48-6, Oklahoma a whipped Pitt 37-8 and Georgia blanked Clemson 30-0.

The rest of the Top Ten consisted of Purdue, up from 16th to eighth on the strength of a 28-14 defeat of Notre Dame; Missouri, which rose from 11th to ninth after crushing Illinois 37-6, and Tennessee, which drubbed Auburn 45-19 and climbed from 19th to 10th.

Notre Dame, which had been ninth, fell out of the Top Twenty.

The Second Ten included UCLA, up from 14th; Florida, no change; Michigan, up from 20th; Michigan State, down one to 14th; Alabama, no change; newcomers Louisiana State, Stanford, West Virginia and Wyoming in the 16-17-18-19 positions and Mississippi, down from eighth to 20th. Notre Dame, Indiana, Auburn and Arizona State dropped from the Top Twenty.

They were 10th, 17th and 18th a week ago.

"We're aware we have some good players," Hayes said Monday at his weekly luncheon in Columbus, Ohio. "We have to continue to get better every time we play."

Elimination of Some Tennis Rules Sought

NEW YORK (AP) — The director of the 1969 U.S. Open Tennis Championships says grass courts and the game's age-old scoring system must be eliminated if tennis is to compete against baseball, football and golf for the entertainment dollar.

Owen Williams, who was brought in from South Africa to run this year's event, predicted Monday that next year's championship will offer a \$250,000 purse and gross \$1 million—if the changes are made.

The 1969 tournament drew a record 101,365 and its total receipts were \$604,000 compared with \$433,000 in 1968, the first U.S. Open. Rod Laver, the 1969 winner, collected \$37,000.

Williams said that if the U.S. Lawn Tennis Association and the State West Side Tennis Club at Forest Hills, N.Y., can't agree on "progressive plans, the USLTA should seek another stadium."

Williams said the grass courts at Forest Hills should be replaced with new synthetic surfaces and that the evolutionary no-break scoring—similar to ping pong—should replace the present scoring system.

Kansas City Badly Needs Quarterback

By SHEILA MORAN
Associated Press Sports Writer

The Kansas City Chiefs, suddenly the American Football League's hard-luck team, are looking for at least one quarterback.

Starter Len Dawson injured his knee at Boston two weeks ago and is out at least another month. Backup man Jack Lee broke an ankle bone during Sunday's 24-18 loss at Cincinnati and will be sidelined two to three weeks.

Suddenly, No. 3 quarterback Mike Livingston, a second-year obscurity from Southern Methodist, is No. 1 and the Chiefs need someone at No. 2. They could even use a No. 3.

Coach Hank Stram discounted rumors of an impending trade and said Tom Flores and John Huarte, free agents with impressive credentials, were to try out with the Chiefs today. Stram also will look at rookie Ed Podolak, a former Iowa quarterback who has been used by Kansas City at running back.

Livingston played in two games last year and came in during the second half in the stunner at Cincinnati. He completed nine of 17 passes for 99 yards—not enough to stop the amazing Bengals, who won their third straight and snapped Kansas City's regular season game winning streak at seven dating from last season. The Chiefs also won all six exhibition games.

Flores, a nine-year veteran, spent seven years at Oakland, then went to Buffalo in the 1967 Daryle Lamonica trade. His best season was 1966 when he was the Raiders starter and completed 151 of 306 passes for 2,638 yards and 24 touchdowns.

Huarte, 1964 Heisman Trophy winner for Notre Dame, spent 1965 on the New York Jets' taxi squad, was traded to Boston in 1966, released by the Patriots after four games of the 1967 season and spent 1968 with Philadelphia. He tried out with Minnesota this year before being released.

The Bengals, who did fine without starting quarterback Greg Cook after he was injured in the second half Sunday, said they'll know by midweek if their sensational rookie will be able to play against San Diego next Saturday. Cook pulled a muscle in his right arm and was replaced by Sam Wyche.

Minnesota, which handed Baltimore its second straight loss, expressed confidence that quarterback Joe Kapp will be able to play in next Sunday's game with Green Bay. Kapp fractured his non-passing wrist in the third quarter but Coach Bud Grant said the break is high enough that it doesn't affect the use of his hand.

The limping Jets compounded their problems with the loss of Jim Hudson, hard-tackling strongside safety, who tore ligaments in his right knee during the world champions' 34-27 drubbing at San Diego.

Flores, a nine-year veteran, spent seven years at Oakland, then went to Buffalo in the 1967 Daryle Lamonica trade. His best season was 1966 when he was the Raiders starter and completed 151 of 306 passes for 2,638 yards and 24 touchdowns.

Huarte, 1964 Heisman Trophy winner for Notre Dame, spent 1965 on the New York Jets' taxi squad, was traded to Boston in 1966, released by the Patriots after four games of the 1967 season and spent 1968 with Philadelphia. He tried out with Minnesota this year before being released.

The Bengals, who did fine without starting quarterback Greg Cook after he was injured in the second half Sunday, said they'll know by midweek if their sensational rookie will be able to play against San Diego next Saturday. Cook pulled a muscle in his right arm and was replaced by Sam Wyche.

Minnesota, which handed Baltimore its second straight loss, expressed confidence that quarterback Joe Kapp will be able to play in next Sunday's game with Green Bay. Kapp fractured his non-passing wrist in the third quarter but Coach Bud Grant said the break is high enough that it doesn't affect the use of his hand.

The limping Jets compounded their problems with the loss of Jim Hudson, hard-tackling strongside safety, who tore ligaments in his right knee during the world champions' 34-27 drubbing at San Diego.

Livingston played in two games last year and came in during the second half in the stunner at Cincinnati. He completed nine of 17 passes for 99 yards—not enough to stop the amazing Bengals, who won their third straight and snapped Kansas City's regular season game winning streak at seven dating from last season. The Chiefs also won all six exhibition games.

Blanton Collier

PASSING—Nelsen's definitely taken command, which leaves Frank Ryan on shelf, and not a bad shelf to have in view of past deeds. Also have ex-Cowboy Jerry Rhome for youth infusion. Nelsen isn't fanciest technician around and has long history of knee problems, but the guys play for him. Rating—B.

RECEIVING—Just when Blanton Collier and Co. were whistling pretty over return of Gary Collins and set of receivers par excellence, Milt Morin had to enter hospital for disc operation. Expect him back during season but definitely left void that'll have to be filled by Chip Glass, Florida State rookie. If he doesn't pan out, Collins can move over and let Eppie Barney play flanker. Split end Paul Warfield return to all-pro status in '68 is great. Rating—B+.

RUNNING—The yards keep piling up inexorably for Leroy Kelly, and no reason he shouldn't have fourth straight 1,000-yard season. No one uses blockers better. Bad hinges finally forced old mate Ernie Green into coaching post, but Ron Johnson of Michigan was drafted as logical successor. Can also call on Charley Harroway, maybe Bo Scott (ex-Canada). Rating—A-.

LINE—It's veteran intact unit, featuring all-pro Gene Hickerson at guard, Dick Schafrath at tackle. But kids like Fred Hoaglin at center, John Demarie at guard match 'em stride for stride. Monte Clark, another vet tackle, could be pushed by holdover Joe Taffoni. Generally, this unit hasn't received enough credit for fronting Kelly's runs. Rating—B+.

DEFENSE
LINEBACKING—Key switch of Dale Lindsey from middle to right corner was big factor in '68 success of defensive unit. Gave Bob Matheson chance to sprout as strong, quick man in middle. Leader of platoon remains Jim Houston, now 10-year man and still going strong. Rating—B+.

SECONDARY—Hard to tell yet what knee operation to Ben Davis will mean. He's likely out for year, leaving rookie Walt Sumner to fill in at corner. Ernie Barnes, old but hanging in there, remains at other corner, with Mike Howell, Ernie Kellerman solid at safety spots. Rating—B.

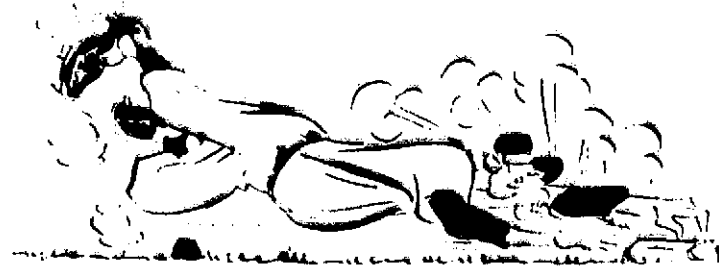

KICKING—Don Cockroft handled punting as well as place kicking as great Lou Groza finally bowed out of football. But punting chores could revert to Collins. Rating—B.

THE TEN BEST WORLD SERIES

By LEE MUELLER, NEA Sports Writer

1909

(First of 10-Part Series.)

ASIDE FROM BEING the first to go the full limit, the 1909 World Series between Pittsburgh and Detroit matched for the first and only time the "two greatest baseball players alive." Ty Cobb of the Tigers and Honus Wagner of the Pirates.

Pittsburgh won in seven games and Wagner, 35, completely outplayed Cobb, 22. Wagner hit .333 to lead his team while Cobb's only headline came when he stole home in the second game. Wagner also won the only direct confrontation between the two players.

Cobb, notorious for his sharpened spikes, was on first base and shouted down to Wagner, playing shortstop: "Hey, Kraut-head, I'm coming down on the next pitch." Cobb came down with spikes flashing, but Wagner took the throw, ducked the spikes and tagged Cobb in the face, splitting the Georgia Peach's lip.

Camden Has Moved Up in AP Poll

LITTLE ROCK (AP) — Fort Smith Northside, unbeaten in 28 games, is an unanimous choice for the top spot in this week's Associated Press High School football poll.

The Grizzlies were named first on each of the ballots cast by the 14 Arkansas sports writers and sportscasters. The only blemish on Northside's record during the 28-game stretch was a 3-3 tie with Pine Bluff last year and the Grizzlies avenged that last week with a 28-7 victory over the Zebras.

The Grizzlies will risk their string this week against fifth-ranked Springdale. The Bulldogs were ranked sixth last week but moved up a notch after Hot Springs was beaten by Benton and dropped from fifth to ninth.

Little Rock Hall, Little Rock Catholic and Little Rock Central, all winners last week, remained second, third and fourth respectively.

Unbeaten Fort Smith Southside moved up a notch to sixth and Camden advanced from eighth to seventh.

Texarkana, ranked eighth last week, was beaten by Shreveport Woodlawn and dropped from the select group. Jonesboro, the only unbeaten team in the Eastern Division of Class AAA, took over the No. 10 slot.

The Class AA and Class A rankings remained unchanged with Camden and McGehee leading the way in their respective divisions.

The Class B rankings underwent a shakeup when it was learned that Junction City, ranked second last week, had surpassed the Class B enrollment and was moved up to Class A by the Arkansas Athletic Association. Mineral Springs remains No. 1, but Murfreesboro jumped into the No. 2 spot. Luxora, which defeated Earle last week in a battle of the unbeaten, replaced Earle in the No. 3 spot.

List of 20 Game Winners Is Mounting

By HAL BOCK
Associated Press Sports Writer

This was supposed to be baseball's Year of the Hitter but the pitchers, lowered mound, smaller strike zone and all, haven't done badly for themselves.

There are a dozen 20 game winners sprinkled around the major leagues—the highest total since 13 pitchers reached the 20-victory plateau back in 1951.

And four other hurlers with 10 victories each could reach 20 as the season swings into its final week.

Phil Niekro, one of the 20-game winners, goes for Atlanta tonight against Cincinnati as the Braves try to clinch the National League West pennant. One Atlanta victory or San Francisco loss, ends the race.

Mike Cuellar, another member of the 20-victory club, was beaten 4-1 by Detroit Monday night—only the second loss in 15 decisions since the All-Star Game for the Baltimore left-hander.

Bill Freehan, whose run-scoring second-inning triple was the only hit off Cuellar through the first eight innings, drilled a two-run single as the Tigers rallied for three runs to break a tie in the ninth.

In the only other game played in the majors Monday night, Boston whipped Washington 8-5 as Rico Petrocelli set a record by hitting his 40th homer of the year, most ever by an American League shortstop. Petrocelli broke the mark of 39 set by Vern Stephens, who also played for the Red Sox.

Frank Howard ripped his 48th of the year for the Senators, tying Harmon Killebrew for the major league home run lead.

Besides Cuellar, 23-11, and Niekro, 22-13, the 20-game winners this season are Minnesota's Jim Perry, 20-6, Tom Seaver of the New York Mets, 25-7, Detroit's Denny McLain, 24-9, Dave McNally of Baltimore, 20-6, Dave Boswell of Minnesota, 20-11, Mel Stottlemyre of the New York Yankees, 20-14, San Francisco's Juan Marichal, 21-11, Houston's Larry Dierker, 20-12 and Ferguson Jenkins, 21-15, and Bill Hands, 20-14, both of the Chicago Cubs.

McNally and Perry both get a chance to add to their totals today. The Baltimore left-hander faces Detroit while the Twins' righty takes on Chicago.

Bob Gibson of the St. Louis Cardinals, Mickey Lolich of Detroit, and Claude Osteen and Bill Singer, both of the Los Angeles Dodgers, are all on the verge of the 20-victory club with 19 triumphs each.

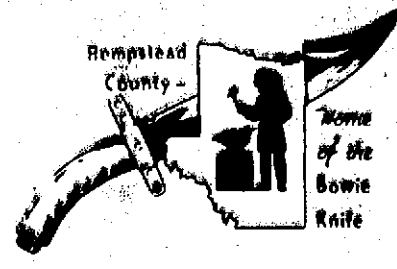

Singer, Gibson and Lolich all pitched Sunday and Osteen worked Saturday. All could get one more shot at 20 in the final days of the season.

 Alex. N. Washburn
 Hong Kong Report:
 We Hear From
 an Editorial

Our editor got a postcard this morning from Lloyd Spencer dated Sept. 25, Hong Kong, Mr. and Mrs. Spencer are winding up a Good Will Banking Mission tour of the Far East and due to return to Hope Thursday.

The card, a color picture of Hong Kong harbor, bore this message:

"This is a photographer's paradise. Enjoyed Japan and Formosa, but this is most unusual. Very modern and very luxurious."

And I know Lloyd must have been thinking the very thought I am putting down on paper back home:

There's magic in Hong Kong — but a magic that's living on borrowed time. The British crown colony is still a part of the Free World, but by the treaty under which Great Britain holds possession Hong Kong will eventually be turned over to Red China.

Editor The Star: Thank you for your comments in Monday's Daily Bread column concerning the Arkansas Gazette's news release on the prize-winning watermelon sent to President Nixon by the Hope - Hempstead County Chamber of Commerce.

Unfortunately, Mrs. Lynn Harris and I read the Gazette's "scurvy dispatch" (as you aptly called it) before we left Hope in the early morning hours on Friday, Sept. 26. Needless to say, our flight to Washington was spoiled by this false report from the Gazette's Washington bureau.

However, after arriving and hearing a report of the presentation of Lester Kent's 153-pound watermelon to the Secretary of Agriculture, Clifford Hardin, from Congressman John Paul Hammerschmidt and Mrs. Dorothy Webb, president of the Arkansas Republican Women, we realized how glibly we had been to let the Arkansas Gazette spoil part of our trip.

Plans for this presentation had covered several months and we are happy to report that Hope, Ark., has again received a great deal of national publicity — all of it true, as far as we have heard, except for the Gazette's report.

Thousands of delegates to our convention viewed the melon in awe, and when we left we were informed that the prize-winner was on display in the rotunda of the Agriculture Building where I am sure it will be viewed by people from other countries.

It is unfortunate that in this great country of ours a small town like ours must be subjected to political barbs, especially from a newspaper within our own state.

Thank you again for your comment and letting me tell you that it was a great pleasure for Mrs. Harris and me to spread the good word about Hope watermelons across the country. Sincerely, MRS. JIM PRUDEN

Warm Days and Cool Night Still Trend

By THE ASSOCIATED PRESS
 Warm days and cool nights in Arkansas are forecast through Wednesday by the U.S. Weather Bureau.

This is attributed to a dry air mass over Arkansas resulting from a high pressure ridge of dry air that extends from the England southwestward through Virginia and Tennessee to Northeast Texas.

An upper air low pressure trough moving eastward through the Pacific Coast states this morning may approach Arkansas by Friday, bringing an increase in moisture and a chance of rain.

Highs yesterday ranged from low to mid 80s in the northeast to around 90 in the southwest and west central sections.

Draft Lottery Unlikely to Be Favored

By JIM ADAMS
 Associated Press Writer
 WASHINGTON (AP) — Some key congressmen have suggested initial House hearings into President Nixon's draft lottery plan is likely all the proposal will get.

"The chairman promised them we would consider the proposal. He didn't promise we'd approve it," said one member as a special House Armed Services subcommittee prepared for today's testimony from Defense Secretary Melvin R. Laird and Selective Service chief Gen. Lewis B. Hershey.

Although ranking members of the Armed Services Committee, chaired by Rep. L. Mendel Rivers, D-S.C., showed little enthusiasm, subcommittee Chairman F. Edward Hebert, D-La., a staunch lottery opponent in the past, promised a fair and impartial hearing.

"Paramount to and above any other consideration," Hebert said.

Worship of Youth So Intense Many Fear Developing Maturity

By HAL BOYLE
 NEW YORK (AP) — Who's afraid of losing youth? Practically every woman over 24 in America, every man who has reached 29—and many in both sexes who are even younger.

So intense is the worship of youth that they fear their developing maturity as if it were a curse, a plague of years. Reaching 30 today is as big a mental hurdle to them as reaching 40 was a generation ago, or becoming 50 was in the early part of this century.

The trouble with this cult of youth is that it is too narrow. It places too much value on being young merely in terms of calen-

Nixon Asks Unity as U.S. Tests New Hanoi Regime on Peace Plan

By WALTER R. MEARS
 AP Political Writer
 WASHINGTON (AP) — President Nixon has told key congressional Republicans he needs evidence of American unity during the next 60 days as the United States tests whether the new Hanoi regime will move toward a negotiated settlement in Vietnam.

In relaying that message, the two new Senate Republican leaders, Hugh Scott of Pennsylvania and Robert P. Griffin of Michigan, did not indicate their source.

However, Nixon met Saturday at Camp David, Md., with party leaders of both House and Senate.

Scott, the New Senate GOP leader, said Monday senators should stop suggesting deadlines for U.S. withdrawal from Vietnam.

He said Hanoi should not be given a signal that it can win by waiting, without negotiating a war settlement.

"Those who really want to help the President might give him a 60-day moratorium or

breathing spell in order to present a common front to Hanoi," Scott said.

But it was clear at once there would be no cutoff of Vietnam policy dissent in the Senate.

Sen. Charles E. Goodell, the New Yorker who has introduced a bill calling for the withdrawal of all U.S. forces from Vietnam by Dec. 1, 1970, said Monday he will go through with his proposal.

"I think those who say my position would undermine the negotiating position presume the negotiations have some hope for producing peace," Goodell said in Albany, N.Y. "But I am convinced there is no hope of the negotiations producing peace under present conditions."

Also dimming administration chances for a moratorium of criticism were signs of an escalating policy debate in advance of a national student protest planned Oct. 15.

A dozen Democrats already have agreed in general terms to support the protest.

Republican Sen. Mark O. Hatfield of Oregon has been sounding out colleagues of both parties about prospects for a resolution urging American withdrawal from Vietnam.

Sen. Edward M. Kennedy, D-Mass., said he believes dissenters have made constructive, positive contributions to discussion of the war.

Conviction for Assault Is Upheld

LITTLE ROCK (AP) — The state Supreme Court Monday rejected the claim of a Clay County man and upheld his conviction for assault with intent to kill his 20-month-old son.

Marvin Grissom contended that his constitutional rights were violated because he was arrested without a warrant and didn't have an attorney while he was in jail.

A Clay County Circuit Court jury gave Grissom a five-year sentence, but recommended suspension of three years.

Grissom's appeal was handwritten while he was in prison. The court permitted Nobe J. Henley of Marshall and Greene County Judge J. P. Reed of Paragould to intervene in a suit challenging the state's legislative apportionment.

The two filed separate petitions to intervene last week, Chief Justice Carleton Harris granted the petitions.

The suit asks the Supreme Court to throw out the current legislative apportionment under which one district may elect several members of the legislature.

In another case, the Supreme Court upheld Circuit Court Judge Russell Roberts of Conway right-of-way case.

Unexpected Action by CIA Has Put End to Green Berets Trial

By BOB HORTON
 AP Military Writer

WASHINGTON (AP) — An unexplained refusal by the U.S. spy agency to let its agents testify has put a sudden end to the controversial Green Berets murder trial.

Charges against the Green Berets—accused of killing a South Vietnamese double agent—were dropped swiftly Monday after the Army got word of the Central Intelligence Agency decision to avoid forthcoming trials.

Army Secretary Stanley R. Resor, who less than two weeks ago said he would not yield to congressional pressure to halt courts martial of six Berets, said the CIA's action meant the defendants could not get a fair trial.

"Accordingly, I have directed today that all charges be dismissed immediately," Resor said in a four-paragraph statement from the Pentagon. "The

U.S. Pulling Troops Out of Thailand

BANGKOK (AP) — The United States will withdraw 6,000 of its 49,000 troops from Thailand by next July a joint Thai-U.S. communique said today.

The withdrawal will begin "within a few weeks." Both U.S. Air Force and Army units will be involved.

The communique added that the cutoff would be made as "expeditiously as possible, consistent with operational requirements related to the Vietnam conflict."

The United States has approximately 36,000 Air Force personnel, 12,000 Army support troops and 1,000 military advisers in Thailand.

Most of the Air Force attacks against North Vietnam originated in Thailand before these were called off. Late Thai-based bombers have attacked the Ho Chi Minh trail in Laos, and have been involved in operations in South Vietnam.

Arrangements have been made for the "orderly reduction" of U.S. forces in Thailand, the statement said. It stressed that the American troops were stationed in Thailand "in connection with the Vietnam war."

The two governments will "continue to evaluate the level of U.S. armed forces in Thailand in the light of their assessment of developments in the Vietnam conflict."

This will bring to 66,000 the total U.S. withdrawals announced for Southeast Asia. President Nixon has called 60,000 troops back from South Vietnam. Nearly 500,000 U.S. servicemen will remain in the area.

Withdrawal of 35,000 Has Started

By GEORGE ESPER
 Associated Press Writer

SAIGON (AP) — About 1,000 Marines of the 3rd Division flew from Vietnam to Okinawa today and another 4,900 prepared to depart for the United States in the first big move in the 35,000-man withdrawal ordered by President Nixon.

Other 3rd Division Leathernecks were not so lucky. One was killed and nine wounded when North Vietnamese gunners slammed 10 mortar shells into their positions along the demilitarized zone.

American B52 bombers retaliated by dropping 600 tons of bombs on North Vietnamese staging areas and just south of the DMZ.

By Christmas, about 16,000 Leathernecks will have left Vietnam as part of Nixon's second troop reduction. A cutoff of 25,000 U.S. troops was completed in August.

The 3rd and the 4th Marine regiments, the two regiments from the 3rd Division left in Vietnam, have patrolled the western two-thirds of South Vietnam's northern frontier area just below the 40-mile wide demilitarized zone. The division's other regiment, the 9th was redeployed in the initial cutoff.

Marine spokesmen at Da Nang said the first 1,000 Marines to leave were from the 3rd Regiment and from the headquarters and support units of the 3rd Division. All have served less than a year, a normal tour of duty, in Vietnam, the spokesmen said.

Within the next week, the spokesmen said, more than 4,900 Marines, who have served for at least a year, will leave for the United States.

The 4th Marine Regiment is still in the field and will be redeployed later. Casualties from the mortar attack were members of the 4th Regiment.

The second round of American troop withdrawals began 10 days ago, but involved only small Army units.

The 3rd Brigade of the U.S. 82nd Airborne Division will have one more major combat assignment before departing for home — "to intercept enemy infiltrators," said the unit commander, Brig. Gen. George W. Dickerson.

The brigade's job, guarding the western and northern flanks of Saigon will be turned over to the Vietnamese army.

Another small Army Reserve unit also left Vietnam today with the Marines. The 842nd Quartermaster Company flew from Da Nang, heading for Forbes Army Air Field in Kansas. Spokesmen said the 120-man unit will be deactivated at Ft. Riley, Kan., then reconstituted in the Army Reserve at its home station in Kansas City.

The U.S. Command said the largest ground action during the past 24 hours was a six-hour fight between troops of an Infantry Division and North Vietnamese soldiers in the central highlands 260 miles north-east of Saigon. Two Americans and 25 North Vietnamese troops were reported killed and eight Americans wounded.

Wants U.S. to Take Over Postal Dept.

HOT SPRINGS, Ark. (AP) — The assistant postmaster general in charge of personnel urged support Monday of President Nixon's proposal to make the postal service a government-owned corporation.

Kenneth A. Housman told a meeting of the National Association of Postmasters of the United States that the change was the best thing that could happen to the postal service.

He rejected contentions that a government-owned corporation would result in "curtailment of rural or small-city services or elimination of postal facilities."

Housman said a continuing problem of the postal system would be manpower, noting that according to estimates the department will need 200,000 additional employees by 1980. It now has 748,000.
